

BALTIMORE CITY

DEPARTMENT OF TRANSPORTATION

Remington Ave Bridge Over Stony Run Rehabilitation Project

Please join The Baltimore City Department of Transportation (BCDOT) for a virtual public meeting regarding the Rehabilitation of Bridge No. BC3456 on Remington Avenue over Stony Run. BCDOT will share information on planned improvements to the bridge, including the installation of an overflow tunnel to improve the hydraulic capacity of the existing arch and the rehabilitation of the existing arch which carries Stony Run under Remington Avenue.

Virtual Meeting: **Webex**

- Wednesday June 15, 2022 6 :00 p.m.
