

**APPENDIX 2: Equity Zones-- UPDATED 11/1/19**

**Dockless Vehicles for Hire: Rules & Regulations**

Permit Holder shall use the locations below to meet the following standards for deployment:

- I. Permit Holder shall deploy a minimum of 3 Dockless Vehicles to each Dockless Equity Zone defined in Appendix 2. If the Permit Holder operates two or more types of Dockless Vehicles, the Permit Holder shall deploy a minimum of 4 Dockless Vehicles to each Dockless Equity Zone.
- II. Permit Holder shall deploy Dockless Vehicles to Dockless Equity Zone by 8am on each day of service.

When a permit is first issued, Permit Holder may deploy vehicles to any legal parking area in the location listed. If a physical corral is built, Permit Holder shall deploy vehicles in the corral thereafter.

DOT reserves the right to update these location quarterly. Permit Holder may submit a request to suspend any of the equity deployment zones for safety reasons but shall not suspend deployment until DOT issues a written approval.
