

Complete Streets Advisory Committee
January 24, 2019
2:30 PM – 3:30 PM

Baltimore City Department of Transportation
417 E Fayette Street, 5th Floor, Baltimore MD 21202

Agenda

1. Introduction

- Discussion on the Complete Streets Ordinance and the requirements of the legislation. Introduce all members of the committee.

2. Role of the Committee

- Discussion on what the committee is responsible for, how we can move Complete Streets forward in a productive manner, and how agencies can collaborate on the development of Complete Streets Manual and other projects moving forward.

3. Complete Streets Manual

- Discussion on the development of the complete streets manual and what will be included in the manual. Identify how each member's agency may be impacted by the manual and how they can contribute to the content of the manual.

4. Community Engagement Plan

- Discussion about the community engagement plan.
- Does it adequately address the requirements of the legislation?
- Is it in-line with best practices in community engagement in other city agencies?
- How can outreach around Complete Streets be integrated into other community meetings?
