

# The Downtown Bicycle Network Project Open House

The Baltimore City Department of Transportation would like to welcome community members to an Open House for the Downtown Bicycle Network Project on August 31, 2016. The Downtown Bicycle Network Project will include the construction of over 10 miles of bicycle facilities throughout downtown neighborhoods, including 6 miles of protected bike lanes. The Open House will provide information about the project and what to expect during construction.

**What:** Downtown Bicycle Network Project Open House

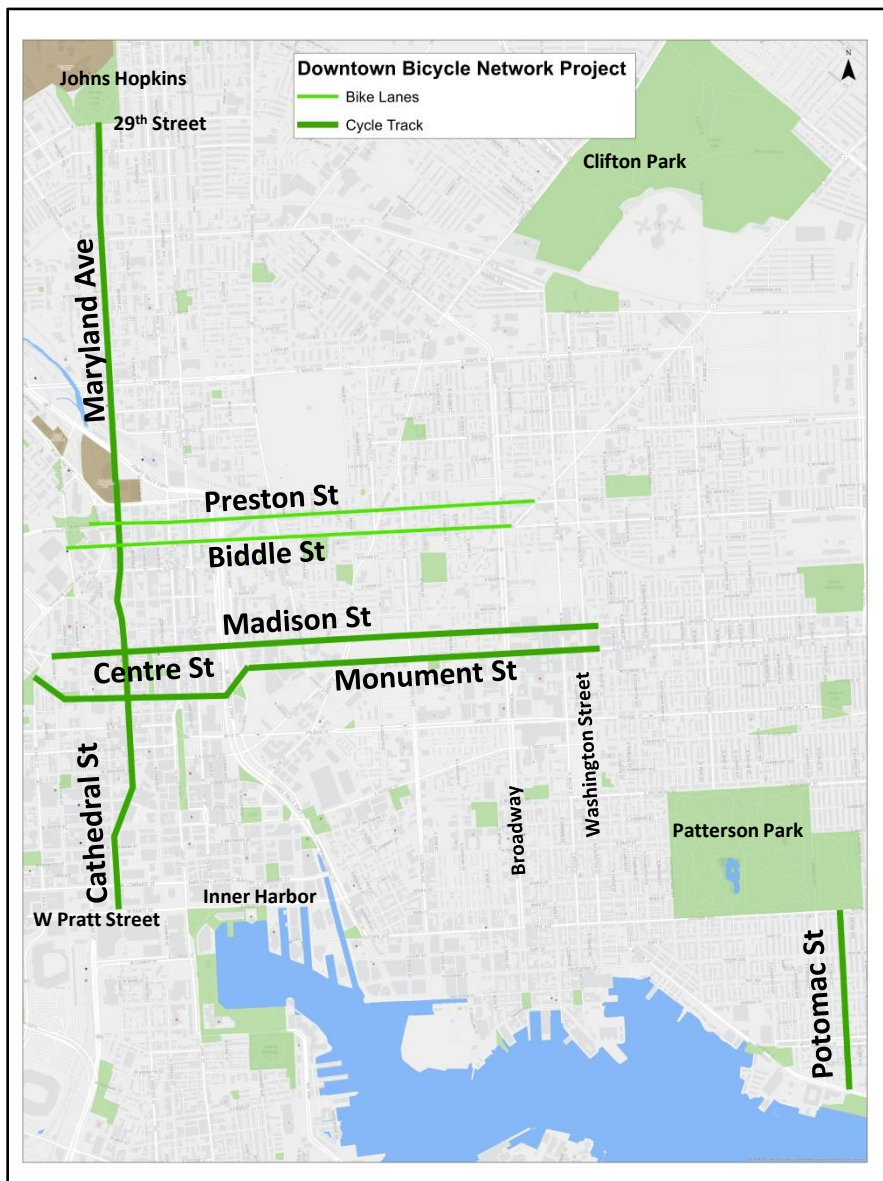

**When:** Wednesday, August 31, 2016

6-7:30pm

**Where:** The Baltimore School for the Arts

712 Cathedral St, Baltimore, MD 21201

**Why:** To learn what to expect for the construction of the Downtown Bicycle Network Project

The meeting location is accessible to persons with disabilities. Please contact Ms. Sandra Matier, Southwest Liaison or Ms. Grishae Blackette, Southeast Liaison at 443-984-4095 if you have special needs.

**Please share this flyer with your neighbors and constituencies.**
