 - Made sure that the topic to be discussed falls entirely within one or more of the "exceptions" that allow the closed session? (see the other side for the list)
 - Given notice of the open meeting to be held right before the closed session, so that the presiding officer can hold the required public vote to close?
 - Made sure that the initial open meeting will be attended by a member designated to take training in the Act, and, if a designated member cannot attend, made sure that the public body is ready to complete this compliance checklist at the open meeting and keep it to attach to the minutes?
 - Equipped the presiding officer to prepare a written statement with the required disclosures? (for a model form with instructions, go to <http://www.marylandattorneygeneral.gov/Pages/OpenGov/Openmeetings/default.aspx>)

6. Have you arranged for the preparation, the adoption as soon as practicable, and posting online if practicable, of minutes of the open meeting, including summaries of any prior closed sessions, and this form (when required), completed on this side?

**This checklist is designed for general use as well as for use at open meetings of public bodies that hold closed meetings, when a member designated for training cannot attend the initial open meeting. See GP § 3-213(d). Like the earlier checklists, this checklist gives general guidance, does not guarantee "compliance" with every provision of the Open Meetings Act, and will be revised occasionally.*
