APPLICATION TO INSTALL A DRIVEWAY/CURB CUT

Please complete your application and **submit it electronically to row.permit.documents@baltimorecity.gov**. Applications are processed within 15 business days. Fees for the Driveway Permit depend upon the amount of work that needs to be done and must be shown on a diagram provided by the applicant. (see sample provided)

Driveways must be between 10 and 35 feet wide.

An example of an acceptable sketch is provided with this application. This application must include a detailed sketch showing:

1. Where the curb is to be removed and or installed.
2. Property boundaries.
3. Distance between the proposed driveway and the building line.
4. Closest existing driveway.
5. Name and location of the nearest intersecting street.
6. Street light poles, fire hydrants, and other utilizes located on the property.
7. Length and width of the driveway being installed, widened or relocated.

Please TYPE the information directly into this form and save.

Date Application Submitted: _____ **Work Start Date:** _____ **Work End Date:** _____

Location of the driveway to be installed: _____
