Monday - Friday 6:00 a.m. – 8:00 p.m.

WEATHER POLICY

For your safety, during hazardous weather (i.e., high winds, lightning, low visibility, etc.) the Harbor Connector may temporarily suspend services until conditions improve. Suspension notifications will be posted on the BaltimoreWaterTaxi.com website and delivered to registered phones via an SMS text alert.

SMS TEXT ALERT

If you want to receive real-time Harbor Connector service alerts, please text "harborconnector" to 74121. To opt out of Harbor Connector service alerts, please text "STOP" to 74121.

COVID-19 PROTOCOL

To protect those around you and in accordance with federal guidelines, all riders, ages 3 and older, not actively eating or drinking, must wear a face-covering over their nose and mouth, even if they are vaccinated against COVID-19 or recently received a negative COVID-19 test result.

LIFEJACKET INSTRUCTIONS

The Harbor Connector operates U.S. Coast Guard inspected vessel equipped with both adult and child lifejackets. Adult lifejackets are in marked compartments either above or below your seat. Child lifejackets, for passengers weighing ninety pounds or less, are in marked compartments to the front or rear of the vessel. Once onboard a Harbor Connector vessel please take a moment to familiarize yourself with the location of your lifejacket. To wear a lifejacket, undo the buckle, open the center, place your head through the opening, wrap the strap around your back, and buckle at the front, adjusting for a snug fit. Tuck in any loose straps, return to your seat, and wait for further instructions from the crew. Parents, please secure your life jackets first and then assist your children. If you need assistance locating or wearing a lifejacket, please do not hesitate to ask one of your crew members.
